INTRODUCTION

About this Evidence of Coverage (EOC)

This Evidence of Coverage (EOC) describes the "Kaiser Permanente Traditional Plan" health care coverage provided under the Agreement between Kaiser Foundation Health Plan of Colorado and your Group. In this EOC, Kaiser Foundation Health Plan of Colorado is sometimes referred to as "Health Plan," "we," or "us." Members are sometimes referred to as "you." Some capitalized terms have special meaning in this EOC; please see the "Definitions" section for terms you should know.

This EOC is for your Group's FY07 contract year.

ELIGIBILITY AND ENROLLMENT

Who Is Eligible

General

To be eligible to enroll and to remain enrolled in this health benefit plan, you must meet the following requirements:

- You must meet your Group's eligibility requirements that we have approved (your Group is required to inform Subscribers of the Group's eligibility requirements), and you must also meet the Subscriber or Dependent eligibility requirements below.
- On the first day of membership, the Subscriber must live in our Service Area (our Service Area is described in the "Definitions" section). You (whether a Subscriber or a Dependent) cannot live in another Kaiser Foundation Health Plan or allied plan service area (for the purposes of this eligibility rule these other service areas may change on January 1 of each year and are currently the District of Columbia and parts of California, Colorado, Georgia, Hawaii, Idaho, Maryland, Ohio, Oregon, Virginia and Washington); for more information, please call our Customer Service Department in Denver/Boulder at **303-338-3800** or toll-free at **1-800-632-9700** or in Colorado Springs at **1-888-681-7878**. However, the Subscriber's or the Subscriber's Spouse's otherwise eligible children are not ineligible solely because they live in another Kaiser Foundation Health Plan or allied plan service area if (1) they are attending an accredited college or accredited vocational school, or (2) you are required to cover them pursuant to a Qualified Medical Child Support Order (QMCSO).
- Neither you nor any member of your family may enroll under this EOC if you or any dependent have ever had entitlement to receive Services through Health Plan terminated for (1) being disruptive, unruly, or abusive, (2) failing to establish or maintain a satisfactory provider-patient relationship, (3) misrepresenting membership status, presenting an invalid prescription or physician order, misusing (or letting someone else misuse) a member ID card, or committing any other type of fraud, or (4) furnishing incorrect or incomplete information or failing to give notice of changes in family status or Medicare coverage.
- You may not enroll under this EOC until you pay all amounts owed by you and your dependents if you were ever a subscriber in this or any other plan who had entitlement to receive Services through Health Plan terminated for (1) failure of you or your dependent to pay any amounts owed to Health Plan, Plan Hospitals, or Medical Group, or (2) failure to pay Copayments or Coinsurance to any plan provider, or (3) failure to pay non-group dues.

Subscribers

You may be eligible to enroll as a Subscriber if you are entitled to Subscriber coverage under your Group's eligibility requirements that we have approved (for example, an employee of your Group who works at least the number of hours specified in those requirements).

Dependents

If you are a Subscriber, the following persons may be eligible to enroll as your Dependents:

- Your Spouse
- Your or your Spouse's unmarried children (including adopted children) who are under the dependent limiting age (or, if applicable, the dependent student limiting age) specified in the "Summary of Services, Copayments and Coinsurance" section in the Appendix
- Other unmarried dependent persons (but not including foster children) who meet all of the following requirements:
 - they are under the dependent limiting age specified in the "Summary of Services, Copayments and Coinsurance" section
 - they receive from you or your Spouse all of their primary support and maintenance
 - they reside with you (the Subscriber)
 - you or your Spouse is the court-appointed guardian (or was before the person reached age 18)
- Your or your Spouse's unmarried children of any age who are medically certified as disabled and dependent upon you or your spouse are eligible to enroll or continue coverage as your Dependents if the following requirements are met:

- they are dependent on you or your Spouse
- you give us proof of the Dependent's disability and dependency annually if we request it.

Enrollment and Effective Date of Coverage

Eligible people may enroll as follows, and membership begins at 12:00 a.m. on the membership effective date:

New Employees and their Dependents

If you are a new employee, you may enroll yourself and any eligible Dependents by submitting a Health Plan-approved enrollment application to your Group within 31 days after you become eligible (you should check with your Group to see when new employees become eligible). Your membership will become effective on the date specified by your Group.

Hospitalized Members

If you are an inpatient in a hospital or institution when your coverage with us becomes effective and you had other group coverage when you were admitted, state law will determine whether we or your prior carrier will be responsible for payment for your care until your date of discharge.

Special Enrollment Due to Newly Acquired Dependents

You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, by submitting a Health Plan-approved enrollment application to your Group within 31 days after a Dependent becomes newly eligible.

The membership effective date for the Dependents (and, if applicable, the new Subscriber) will be:

- For newborn children, the moment of birth. A newborn child is automatically covered for the first 31 days, but must be enrolled within 31 days after birth for membership to continue. Only Services that we actually provide or arrange will be covered from the date of birth.
- For newly adopted children (including children newly placed for adoption), the date of the adoption or placement for adoption. An eligible adopted child must be enrolled within 31 days from the date the child is placed in your custody or the date of the final decree of adoption.
- For all other Dependents, the date of the event if enrolled within 31 days of attaining eligibility. Employees and dependents who are not enrolled when newly eligible must wait until the next open enrollment period to become Members of Kaiser Permanente, or they may enroll under special circumstances as agreed to by your Group and Health Plan.

Special Enrollment Due to Loss of Other Coverage

You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, by submitting a Health Plan-approved enrollment application to your Group within 31 days after the enrolling persons lose other coverage, if:

- The enrolling persons had other coverage when you previously declined Health Plan coverage for them (some groups require you to have stated in writing when declining Health Plan coverage that other coverage was the reason), and
- The loss of the other coverage is due to (i) exhaustion of COBRA coverage, or (ii) in the case of non-COBRA coverage, loss of eligibility or termination of employer contributions, but not cause or individual nonpayment

Exception: if you are enrolling yourself as a Subscriber along with at least one eligible Dependent, it is necessary for only one of you to lose other coverage and only one of you to have had other coverage when you previously declined Health Plan coverage.

Your Group will let you know the membership effective date, which will be no later than the first day of the month following the date your Group receives the enrollment application.

Open Enrollment

You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, by submitting a Health Plan-approved enrollment application to your Group during the open enrollment period. Your Group will let you know when the open enrollment period begins and ends and the membership effective date.

Kaiser Permanente Medicare Advantage Limitation on Enrollment

Denver/Boulder Members. If the Kaiser Permanente Medicare Advantage plan has reached its capacity limit that the Centers for Medicare & Medicaid Services ("CMS") has approved, you may be ineligible to enroll.

HOW TO OBTAIN SERVICES

As a Member, you are selecting our medical care program to provide your health care. You must receive all covered care from Plan Providers inside our Service Area, except as described under the following headings:

- Out-of-Plan Emergency Services, in "Emergency Services and Non-Emergency, Non-Routine Care" in the "Benefits" section
- Out-of-Plan Non-Emergency, Non-Routine Care in "Emergency Services and Non-Emergency, Non-Routine Care" in the "Benefits" section
- Getting a Referral, in this section

Your Primary Care Plan Physician

Your primary care Plan Physician plays an important role in coordinating your health care needs, including hospital stays and referrals to specialists. Every member of your family should have his or her own primary care Plan Physician.

When choosing your primary care Plan Physician, please keep in mind that your choice will determine where you will receive specialty care. Your primary care Plan Physician has an established relationship with a specific group of specialty care physicians with whom he or she works. By referring only to a select group of specialists, your primary care Plan Physician is better able to coordinate and oversee your medical care.

You may select a primary care Plan Physician from family practice, pediatrics and internal medicine. You may also receive a second medical opinion from a Plan Physician upon request. Please refer to the section below entitled "Second Opinions."

Denver/Boulder Service Area

You may choose your primary care Plan Physician from our provider directory. If you want to receive care from a specific physician listed in the directory, call our Customer Service Department to verify that the physician still participates with the Plan and is accepting new patients. You may obtain a copy of the directory by calling our Customer Service Department at **303-338-3800** or you may obtain a list of Plan Physicians on our website, **kaiserpermanente.org**, by clicking on "Locate our services" then "Medical staff directory."

Colorado Springs Service Area

You must choose a primary care Plan Physician when you enroll. If you do not select a primary care Plan Physician upon enrollment, we will assign you one near your home.

We contract, through the Medical Group, with a panel of affiliated care physicians, specialists, and other health care professionals to provide medical Services in the Colorado Springs Service Area. You may choose your primary care Plan Physician from our panel of affiliated primary care Plan Physicians. You can identify these physicians, along with a listing of affiliated specialists and ancillary providers, in the Affiliated Practitioner Directory. You may obtain a copy of the directory by calling our Customer Service Department at **1-888-681-7878** or you may obtain a list of Affiliated Physicians on our website, **kaiserpermanente.org**, by clicking on "Locate our services" then "Medical staff directory."

If you are seeking **routine or specialty care** in any of the Denver/Boulder Plan Facilities, you must have a referral from your local primary care Plan Physician. If you do not get a referral, you will be billed for the full amount of the office visit charges. If you are visiting in the Denver/Boulder metropolitan area and need after hours or emergency care, you can visit a Denver/Boulder Plan Facility without a referral.

Changing Your Primary Care Plan Physician

Denver/Boulder Service Area

Call our Customer Service Department at **303-338-3800** or toll free at **1-800-632-9700** to change your primary care Plan Physician, or you may change your physician when visiting a Plan Facility. You may change your primary care Plan Physician at any time.

Colorado Springs Service Area

Call our Customer Service Department at **1-888-681-7878** to change your primary care Plan Physician. Notify us of your new primary care Plan Physician choice by the 15th day of the month. Your selection will be effective for the first day of the following month.

Getting a Referral

Plan Physicians offer primary medical, pediatric, and OB/GYN care as well as specialty care in areas such as general surgery, orthopedic surgery, and dermatology. If your Plan Physician decides that you require covered Services not available from us, he or she will refer you to a non-Plan Provider inside or outside our Service Area. You must have a written referral to the non-Plan Provider in order for us to cover the Services. A referral is a written authorization by a primary care Plan Physician for you to receive a covered service from a designated referral provider. A written or verbal recommendation by a Plan Physician that you

obtain non-covered Services (whether medically necessary or not) is **NOT** considered a referral, and is NOT covered. Copayments or Coinsurance for referral Services are the same as those required for Services provided by a Plan Provider.

Denver/Boulder Service Area

In order to receive Services from other than a Plan Provider or from a Plan Facility, you must have a referral. This includes Services provided by an Affiliated Physician in the Colorado Springs Service Area.

A referral is limited to a specific service, treatment, series of treatments and period of time. All referral Services must be requested and approved in advance according to Medical Group procedures. We will not pay for any care rendered or recommended by a referral provider beyond the limits of the original referral unless the care is specifically authorized by your Plan Physician and approved in advance in accord with Medical Group procedures.

Colorado Springs Service Area

Members residing in the Colorado Springs Service Area must have their primary care Plan Physician generate a referral before receiving Services from another Affiliated Physician. Services performed by an Affiliated Physician other than your primary care Plan Physician without a valid referral are not covered by the Plan. This includes Services provided by a Medical Group physician in our Denver/Boulder Service Area. The only exceptions to this requirement are Services for an emergency condition, Services for women by an affiliated Colorado Springs OB/GYN physician, or routine eye exams from Colorado Springs affiliated providers. The physician to whom you are referred will receive a notice of the referral by fax. You will receive a written notice of the referral in the mail. This notice will tell you the physician's name, address and phone number. It will also tell you the time period for which the referral is valid and how many visits are included.

In general, the Plan's list of Affiliated Physicians in the Colorado Springs Service Area covers most specialty and sub-specialty areas. If your primary care Plan Physician generates a referral to a non-affiliated physician, the Plan will determine whether it is medically necessary to use a non-affiliated physician. Services by a non-affiliated physician that are not authorized by the Plan are not covered.

Second Opinions

Upon request and subject to payment of any applicable Copayments or Coinsurance, you may get a second opinion from a Plan Physician about any proposed covered Services.

Plan Facilities

Denver/Boulder Service Area

Our contracted hospitals include Exempla Saint Joseph Hospital, Exempla Good Samaritan Medical Center, and Children's Hospital.

We offer health care at 18 Plan Medical Offices conveniently located throughout the Denver/Boulder metropolitan area. At most of our Plan Facilities, you can usually receive all the covered Services you need, including specialized care. You are not restricted to a particular Plan Facility, and we encourage you to use the facility that will be most convenient for you.

Plan Medical Offices are listed in our provider directory, which we update periodically. You may obtain a current copy of the directory by calling our Customer Service Department at **303-338-3800** or toll-free at **1-800-632-9700**, or you may obtain a list of facilities on our website, **kaiserpermanente.org**, by clicking on "Locate our services" then "Facility directory."

Colorado Springs Service Area

You may access hospital care at Memorial Hospital, our contracted hospital in the Colorado Springs Service Area.

When you select your primary care Plan Physician, you will receive your Services at that physician's office. You can identify affiliated physicians and their facilities, along with a listing of affiliated specialists and ancillary providers, in the Affiliated Practitioner Directory. You may obtain a copy of the directory by calling our Customer Service Department at **1-888-681-7878** or you may obtain a list of facilities on our website, **kaiserpermanente.org**, by clicking on "Locate our services" then "Facility directory."

Getting the Care You Need

Emergency care is covered 24 hours a day, 7 days a week anywhere in the world. **If you think you have a life or limb threatening emergency, call 911 or go to the nearest emergency room.** For coverage information about emergency care, including Out-of-Plan emergency Services, and emergency benefits away from home, please refer to "Emergency Services and Non-Emergency, Non-Routine Care" in the "Benefits" section.

Non-emergency, non-routine care needed for medical problems such as an earache or sore throat with fever that do not meet the definition of an emergency because they are not sudden or unforeseen, are covered at Plan Facilities during regular office hours. Your office visit charge, as defined in the "Summary of Services, Copayments and Coinsurance" section, will apply. If you need non-emergency, non-routine care after hours, you may use one of the designated after hours Plan Facilities. The charge for Non-emergency, non-routine care received in Plan Facilities after regular office hours, listed in the "Summary of Services, Copayments and Coinsurance" section will apply. For additional information about non-emergency, non-routine care, please refer to "Emergency Services and Non-Emergency, Non-Routine Care" in the "Benefits" section.

Non-emergency, non-routine care received at a non-Plan facility inside our Service Areas is NOT COVERED. If you receive care for minor medical problems at non-Plan facilities inside our Service Areas, you will be responsible for payment for any medical treatment received.

There may be situations when it is necessary for you to receive unauthorized non-emergency, non-routine care outside our Service Areas. Please see "Emergency Services and Non-Emergency, Non-Routine Care" in the "Benefits" section for coverage information about out-of-plan non-emergency, non-routine care Services.

Visiting Other Kaiser Foundation Health Plan or Allied Plan Service Areas

If you visit a different Kaiser Foundation Health Plan or allied plan service area temporarily (not more than 90 days), you can receive visiting member care from designated providers in that area. Visiting member care is described in our visiting member brochure. Visiting member care and your out-of-pocket costs may differ from the covered Services, Copayments and Coinsurance described in this EOC. The 90-day limit on visiting member care does not apply to a dependent child who attends an accredited college or accredited vocational school.

Please call our Customer Service Department in *Denver/Boulder* at **303-338-3800** or toll-free at **1-800-632-9700** or in *Colorado Springs* at **1-888-681-7878** to receive more information about visiting member care, including facility locations in other service areas. Service areas and facilities where you may obtain visiting member care may change at any time.

You receive the same prescription drug benefit (including Copayments or Coinsurance, exclusions and limitations) as your home service area benefit.

Rescheduling of Services

In the event that you fail to make your Copayment or Coinsurance payments, your appointments for non-urgent Services from Plan Providers may be rescheduled until such time as all amounts are paid in full or you have made other payment arrangements with us.

Moving Outside of Any Kaiser Foundation Health Plan or Allied Plan Service Area

If you move to an area not within any Kaiser Foundation Health Plan or allied plan service area, you can continue your membership with this Plan, if you continue to meet all other eligibility requirements. However, you must go to a Plan Facility in a Kaiser Foundation Health Plan or allied plan service area in order to receive covered Services (except Out-of-Plan Emergency Services and Out-of-Plan Non-Emergency, Non-Routine Care). If you go to another Kaiser Foundation Health Plan or allied plan service area for care, covered Services, Copayments or Coinsurance will be as described under "Visiting Other Health Plan or Allied Plan Service Areas" above.

Using Your Identification Card

Each Member has a Health Plan Identification Card with a Health Record Number on it, which is useful when you call for advice, make an appointment, or go to a Plan Provider for care. The Health Record Number is used to identify your medical records and membership information. You should always have the same Health Record Number. If we ever inadvertently issue you more than one Health Record Number, please let us know by calling our Customer Service Department in *Denver/Boulder* at **303-338-3800** or toll-free at **1-800-632-9700**. *Colorado Springs* Members may call **1-888-681-7878**. If you need to replace your card, please call Customer Service in your area.

Your ID card is for identification only. To receive covered Services, you must be a current Health Plan Member. Anyone who is not a Member will be billed for any Services we provide at Non-Member Rates and claims for emergency or non-emergency care Services from non-Plan Providers will be denied. If you let someone else use your ID card, we may keep your card and terminate your membership.

BENEFITS

The Services described in this "Benefits" section are covered only if all the following conditions are satisfied:

After the referral to a dialysis facility, we cover equipment, training and medical supplies required for home dialysis at no charge.

Drugs, Supplies and Supplements**Drug Formulary**

We use a drug formulary. A drug formulary includes the list of prescription drugs that have been approved by our Pharmacy and Therapeutics Committee for our Members. Our Pharmacy and Therapeutics Committee, which is comprised of Plan Physicians, pharmacists and a nurse practitioner, select prescription drugs for the drug formulary based on a number of factors, including safety and effectiveness as determined from a review of medical literature and research. The Formulary Committee meets

monthly to consider adding and removing prescription drugs on the drug formulary. If you would like information about whether a particular drug is included in our drug formulary, please call our Customer Service Department in the **Denver/Boulder Service Area** at **303-338-3800** or toll free at **1-800-632-9700**. **Colorado Springs** Members may call Customer Service at **1-888-681-7878**.

Administered Drugs

We cover the following during a covered stay in a Plan Hospital or Skilled Nursing Facility, or if they require administration or observation by medical personnel and are administered to you in a Plan Medical Office or during home visits:

Internally implanted time-release drugs and injected contraceptives are not covered under this paragraph.

Outpatient Prescription Drugs

Outpatient prescription drugs may be purchased at Health Plan Pharmacies or pharmacies designated by Health Plan in the Colorado Springs area. If your Group has purchased additional coverage for outpatient prescription drugs, you will find a prescription drug benefit following the “Summary of Services, Copayments and Coinsurance” section. If your prescription drug Copayments or Coinsurance listed in that explanation exceed the Charges of your prescribed medication, then you pay the cost of the medication instead of the applicable Copayment or Coinsurance. The drug formulary, discussed above, also applies.

Injectable hormone therapy prescribed for the treatment of prostate cancer is provided. Please refer to the prescription drug benefit description following the “Summary of Services, Copayments and Coinsurance” section for more information. Such products are covered for self-administered use upon payment of a \$3.00 Copayment per product, per day. Food products for enteral feedings are not covered.

Out-of-Plan Emergency Services

“Out-of-Plan Emergency Services” are Emergency Services that are not provided or authorized in advance by a Plan Physician. The patient's medical condition may be so critical that you cannot call or come to one of our Medical Offices or the emergency room of a Plan Hospital, or, the patient may need Emergency Services while traveling outside our Service Area.

Limitation:

If you are admitted to a non-Plan hospital outside the Service Area, you or someone on your behalf must notify us within 24 hours, or as soon as reasonably possible by calling the **Patient Transfer Coordinator** toll-free at **1-800-632-9700** or, in the Colorado Springs Service Area at **1-888-681-7878**. By notifying us of your hospitalization as soon as possible, you will protect yourself from potential liability for payment for Services you receive after transfer to one of our facilities would have been possible.

We cover Out-of-Plan Emergency Services as follows:

- **Outside our Service Area.** If you are injured or become unexpectedly ill while you are outside our Service Area, we will cover Out-of-Plan Emergency Services that could not reasonably be delayed until you could get to a Plan Hospital or Plan Facility. - **Inside our Service Area.** If you are inside our Service Area, we will cover Out-of-Plan Emergency Services only if you reasonably believed that your life or limb was threatened in such a manner that the delay in going to a Plan Hospital or Plan Facility for your treatment would result in death or serious impairment of health.

Emergency Services Exclusions:

- Services outside our Service Area for conditions that, before leaving the Service Area, you should have known might require Services while outside our Service Area, such as dialysis for end-stage renal disease, post-operative care following surgery performed by Plan Physicians, full-term delivery and treatment for continuing infections, unless we determine that you were temporarily outside our Service Area because of extreme personal emergency.
- Continuing or follow-up treatment. We cover only the out-of-Plan emergency care that is required before you could, without medically harmful results, have been moved to a facility we designate either inside or outside our Service Area. When approved by Health Plan or by a Plan Physician in this Service Area or in another Kaiser Foundation Health Plan or allied plan service area, we will cover ambulance Services or other transportation medically required to move you to a designated facility for continuing or follow-up treatment.

- The care cannot be delayed until you return to our Service Area.

Payment

Health Plan's payment for covered Out-of-Plan Emergency Services and Out-of-Plan Non-Emergency, Non-Routine Care Services is based upon charges that we determine to be usual, reasonable and customary. This means a charge that:

- does not exceed most charges which providers in the same area charge for that service or supply,
- does not exceed the usual charge made by the provider for that service or supply, and
- is in accord with standard coding guidelines and consistent with accepted health care reimbursement payment practices.

Our payment is reduced by:

- the Copayment or Coinsurance amount for Emergency Services and Non-Emergency, Non-Routine Care, which is waived if you are admitted as an inpatient;
- the Copayment or Coinsurance amount for ambulance Services, if any;
- Coordination of benefits;
- any other payments you would have had to make if you received the same Services within our Plan;
- all amounts paid or payable, or which in the absence of this EOC would be payable, for the Services in question, under any insurance policy or contract, or any other contract, or any government program except Medicaid; and
- amounts you or your legal representative recover from "no-fault" motor vehicle insurance or because of third party liability.

These visits are without charge until you elect hospice care coverage. Coverage of hospice care is described below.

This Program is designed to allow you and your family time to become more familiar with hospice-type services and to decide what is best for you. When you have the option to participate in this Program, you can more adequately bridge the gap between your diagnosis and preparing for the end of life.

The difference between this Program and regular visiting nurse visits is that you may or may not be homebound or have skilled nursing care needs, or you may only require spiritual or emotional care. The services available through this Program are provided by professionals with specific training in end-of-life issues.

However, in accord with our guidelines for living transplant donors, we provide certain donation-related Services for a donor, or a person identified by Medical Group or a Plan Physician as a potential donor, even if the donor is not a Member. These Services must be directly related to a covered transplant for you. Our guidelines for Services for living transplant donors are available by calling our Customer Service Department in the *Denver/Boulder* area at **303-338-3800** or toll-free at **1-800-632-9700**. *Colorado Springs* Members may call **1-888-681-7878**.
- Plan Physicians determine that the Member satisfies medical criteria developed by Medical Group for receiving the Services.
- A Plan Physician provides a written referral for care to a transplant facility selected by Medical Group from a list of facilities it has approved. The referral may be to a transplant facility out of the Service Area. Transplants are covered only at the facility selected by Medical Group for the particular transplant, even if another facility within the Service Area could also perform the transplant.
- If, after referral, either a Plan Physician or the medical staff of the referral facility determines that the Member does not satisfy its respective criteria for the service involved, Kaiser Permanente's obligation is limited to paying for covered Services provided prior to such determination.

 - Any source providing a Financial Benefit or from whom a Financial Benefit is due
 - You, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if you had diligently sought to establish your rights to the Financial Benefit under any workers' compensation or employer's liability law.

Limitations

We will use our best efforts to provide or arrange covered Services in the event of unusual circumstances that delay or render impractical the provision of Services, such as major disaster, epidemic, war, riot, civil insurrection, disability of a large share of personnel at a Plan Facility, complete or partial destruction of facilities, and labor disputes not involving Health Plan, Kaiser Foundation Hospitals, or Medical Group. However, in these circumstances, Health Plan, Kaiser Foundation Hospitals, Medical Group, and Medical Group Plan Physicians will not have any liability for any delay or failure in providing covered Services. In the case of a labor dispute involving Health Plan, Kaiser Foundation Hospitals or Medical Group, we may postpone care until the dispute is resolved if delaying your care is safe and will not result in harmful health consequences.

Reductions

Coordination of Benefits (COB)

The Services covered under this EOC are subject to coordination of benefit (COB) rules. If you have health care coverage with another health plan or insurance company, we will coordinate benefits with the other coverage under the COB rules of the National Association of Insurance Commissioners. Those rules are incorporated into this EOC. If both we and the other coverage cover the same Service, we and the other coverage will see that up to 100% of your covered medical expenses are paid for that Service. The COB rules determine which coverage pays first, or is "primary," and which coverage pays second, or is

“secondary.” The secondary coverage may reduce its payment to take into account payment by the primary coverage. You must give us any information we request to help us coordinate benefits.

If your coverage under this EOC is secondary, we may be able to establish a Benefit Reserve Account for you. You may draw on the Benefit Reserve Account during the year to pay for your out-of-pocket expenses for Services that are partially covered by either us or your other coverage. If you are entitled to a Benefit Reserve Account we will provide you with detailed information about this account.

If you have any questions about COB, please call our Patient Business Services Department at:

Denver/Boulder Service Area: **303-743-5900**

Colorado Springs Service Area: **719-867-2165**

You may also write us at: Kaiser Foundation Health Plan of Colorado, Patient Business Services, 2500 South Havana Street, Aurora, CO 80014-1622.

Injuries or Illnesses Alleged to be Caused by Other Parties

You must reimburse the Plan 100% of Non-Member Rates for covered Services you receive for an injury or illness that is alleged to be caused by another party, except that you do not have to reimburse the Plan more than you receive from or on behalf of any other party, insurance company, or organization as a result of the injury or illness. The Plan's right to reimbursement shall include all sources as permitted by law, including but not limited to, any recovery you receive from a) uninsured motorist coverage; b) underinsured motorist coverage; c) no-fault automobile coverage; d) automobile medical payment coverage; e) workers' compensation coverage; or f) any other liability coverage.

If you are involved in an automobile-related accident, please contact us immediately so that we can coordinate benefits with the automobile insurance carrier and determine whether we or the automobile insurance carrier have primary coverage. Please contact our Patient Business Services Department at the phone numbers provided above.

To the extent permitted by law, we have the option of becoming subrogated to all claims, causes of action, and other rights you may have against a third party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by the third party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney, but we will be subrogated only to the extent of the total of Non-Member Rates for the relevant Services.

To secure our rights, the Plan shall have a first priority lien on the proceeds of any judgment or settlement, whether by compromise or otherwise, you obtain against any other party, regardless of whether the other party admits liability. The proceeds of any judgment or settlement that you, your attorney, or your representative obtain shall first be applied to fully satisfy our lien, regardless of whether the total amount of your recovery from all sources is less than the actual or estimated losses and damages you incurred, and regardless of how the proceeds are characterized or itemized. The Plan specifically denies any application of the Made Whole doctrine.

The Plan will not be responsible for any fees incurred by you in obtaining any such judgment or settlement. Any costs of the Plan will be borne by the Plan and any costs of your representation will be borne by you. The Plan specifically denies any application of the Common Fund doctrine. Any proceeds of such judgment or settlement in the possession of you or your attorney shall be held in trust for the benefit of the Plan.

Within 30 days after submitting or filing a claim or legal action against any other party, you must send written notice of the claim or legal action to **Patient Business Services, 2500 S. Havana Street, Suite 500, Aurora, CO 80014-1622**. In order for us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send us all consents, releases, authorizations, assignments, and other documents, including lien forms directing your attorney, any other party and any respective insurer to pay us or our legal representatives directly. You must cooperate in protecting the Plan's interests under this provision and must not take any action prejudicial to our rights.

If your estate, parent, guardian, or conservator asserts a claim against a third party based on your injury or illness, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

Some providers have contracted with Health Plan to provide certain Services to Members at rates that are typically less than the fees that the providers ordinarily charge to the general public ("General Fees"). However, these contracts may allow the providers to assert any independent lien rights they may have to recover their General Fees from a judgment or settlement that you receive from or on behalf of a third party. For Services the provider furnished, our recovery and the provider's recovery together will not exceed the provider's General Fees.

If you are entitled to Medicare, Medicare law may apply with respect to Services covered by Medicare.

FILING CLAIMS AND CUSTOMER SATISFACTION PROCEDURE

Filing Claims

Health Plan will review claims that you make for Services or payment, and we may use medical experts to help us review claims and appeals. There are four types of claims, each of which has a different procedure described below:

- 1) post-service claims
- 2) non-urgent pre-service claims
- 3) urgent pre-service claims
- 4) concurrent care claims when your course of treatment will expire

If you disagree with any pre-service denial we make based on a determination that a requested service is not medically necessary or appropriate, or effective, or is experimental or investigational, your physician has the right to request a reconsideration of our decision by contacting the physician or department who initially made the denial. Your physician acting on your behalf has the right to request a reconsideration of the denial. This request for reconsideration may be made orally or in writing to the department that initially made the denial. The reconsideration shall occur within five (5) calendar days of receipt of the request, and it shall be conducted between the provider who is rendering, or will render the service and the reviewer who made the initial denial, or that reviewer's designated clinical peer in the event that the reviewer cannot be available within five (5) days.

The procedures you must follow for internal appeals are described below. It is not necessary for your physician to request reconsideration before you request an appeal.

If you miss a deadline for filing a claim or appeal, we may decline to review it. If your health benefits are provided through an "ERISA" covered employer group, you can file a demand for arbitration or civil action under ERISA § 502(a)(1)(B), but you must meet any deadlines and exhaust the claims and required appeals procedures before you can do so. If you are not sure if your group is an "ERISA" group, you should contact your employer. We do not charge you for claims or appeals, but you must bear the cost of anyone you hire to represent or help you.

A written decision will be issued within seven (7) calendar days of the hearing, citing the reasons upon which the decision was based. If your appeal is totally or partially denied, we will also notify you of your right, under certain circumstances, to request an external review.

Pre-service Claims and Appeals

Pre-service claims are requests that Health Plan provide or pay for a Service that you have not yet received. We will decide whether your claim or appeal is urgent or non-urgent. A claim or appeal is urgent only if using the procedure for non-urgent claims or appeals (a) could seriously jeopardize your life, health, or ability to regain maximum function, or if you have a disability, create an imminent and substantial limitation on your existing ability to live independently, or (b) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without the Services you are requesting. If you receive any of the Services you are requesting before we make our decision, your pre-service claim or appeal will become a post-service claim or appeal with respect to those Services. If you have any questions about pre-service claims please contact our Customer Service Department in the Denver/Boulder Service Area at **303-338-3800**, or in the Colorado Springs Service Area at **1-888-681-7878**. We encourage you to send all the requested information at one time, so that we will be able to consider it all when we make our decision. Upon receipt of the requested information, we will make and issue a decision within fifteen (15) calendar days. If we do not receive any of the

requested information (including documents) within forty-five (45) days, we will then make a decision within fifteen (15) calendar days of the information due date, based on the information we have.

External Review

The Colorado Division of Insurance contracts with independent external review organizations to provide independent review of decisions made by Health Plan regarding health care Services when certain circumstances exist. You may request an external review only: (1) after all required internal appeal processes have been exhausted; and (2) upon notice of Health Plan's determination that a health care service has been reviewed and did not meet Health Plan's requirement for medical necessity, appropriateness, health care setting, level of care, effectiveness, or efficiency, and the requested service or coverage for the service was denied, reduced or terminated. Independent external review is voluntary and is provided at no cost to you.

To request an external review you must:

Submit your request for an external review in writing to our Appeals Department, at the address shown above, within sixty (60) calendar days of receiving an adverse determination in denial of your appeal.

- Include a completed external review request form as specified by the Division of Insurance. (You will receive this form with your denial notice.)
- Include a signed consent authorizing Health Plan to disclose protected health information pertinent to the external review.
- Include any new information that you feel should be considered.

The independent external review organization will issue its decision within thirty (30) working days of Health Plan's receipt of your request, except that the time period may be extended for up to ten (10) working days for the consideration of additional information.

You may request an "expedited" external review if you have a medical condition where the timeframe for completion of a standard review would seriously jeopardize your life or health, would jeopardize your ability to regain maximum function, or if you have a disability, would create an imminent and substantial limitation of your existing ability to live independently. A request for an expedited review must be accompanied by a written statement from your physician that your condition meets these criteria.

If the independent review organization overturns our denial of payment for care you have already received, we will issue payment within thirty (30) calendar days. If the independent review organization overturns our decision not to authorize care, we will authorize care within five (5) working days.

TERMINATION OF MEMBERSHIP

Your Group is required to inform the Subscriber of the date your coverage terminates. If your membership terminates, all rights to benefits end at 11:59 p.m. on the termination date. In addition, Dependents' memberships end at the same time the Subscriber's membership ends. You will be billed at Non-Member Rates for any Services you receive after your membership terminates. Health Plan and Plan Providers have no further responsibility under this EOC after your membership terminates, except as provided under "Termination of Group Agreement" in this "Termination of Membership" section.

This "Termination of Membership" section describes how your membership may end and explains how you may be able to maintain Health Plan coverage without a break in coverage if your membership under this EOC ends.

Termination Due to Loss of Eligibility

If you meet the eligibility requirements described under "Who Is Eligible" in the "Eligibility and Enrollment" section on the first day of a month, but later in that month you no longer meet those eligibility requirements, your membership terminates on the last day of that month unless your Group has an agreement with us to terminate at a time other than on the last day of the month. Please check with your Group's benefits administrator to confirm your termination date.

Termination of Group Agreement

If your Group's Agreement with us terminates for any reason, your membership ends on the same date.

If your Group's Agreement terminates for reasons other than nonpayment of premium, fraud or abuse, while you are an inpatient in a hospital or institution, your coverage will continue until your date of discharge.

Termination for Cause

We may terminate the memberships of the Subscriber and all Dependents in your Family Unit by sending written notice to the Subscriber at least 15 days before the termination date if anyone in your Family Unit commits any of the following acts:

- You are disruptive, unruly, or abusive to the extent that the ability of Health Plan or a Plan Provider to provide Services to you, or to other Members, is seriously impaired
- You fail to establish and maintain a satisfactory provider-patient relationship, after the Plan Physician has made reasonable efforts to promote such a relationship
- You knowingly (1) misrepresent membership status, (2) present an invalid prescription or physician order, (3) misuse (or let someone else misuse) a Member ID card, or (4) commit any other type of fraud in connection with your membership
- You knowingly furnish incorrect or incomplete information to us or fail to notify us of changes in your family status or Medicare coverage that may affect your eligibility or benefits

Termination of membership for any one of these reasons applies to all members of your Family Unit. All rights to benefits cease on the date of termination. You will not be allowed to convert to non-group coverage or to re-enroll in Kaiser Permanente. You must pay Non-Member Rates for any services received after the termination date. You have the right to appeal such a termination by contacting our Customer Service Department at **303-338-3800** for *Denver/Boulder* Members, or **1-888-681-7878** for *Colorado Springs* Members, or you may contact the Colorado Division of Insurance.

We may report any member fraud to the authorities for prosecution and pursue appropriate civil remedies.

Termination for Nonpayment

Nonpayment of Dues

You are entitled to coverage only for the period for which we have received the appropriate Dues from your Group. If your Group fails to pay us the appropriate Dues for your Family Unit, we will terminate the memberships of everyone in your Family Unit.

Nonpayment of any other charges

We may terminate the memberships of a Subscriber and all Dependents in your Family Unit if any one of you fails to pay any amount he or she owes to Health Plan, hospitals, or Medical Group, or fails to pay Copayments or Coinsurance to any Plan Provider. We will send written notice of the termination to the Subscriber at least 15 days before the termination date.

Termination for Noncompliance with Medicare Membership Requirements

For Members entitled to Medicare, Medicare is the primary coverage except when federal law (TEFRA) requires that Group's health care plan be primary and Medicare coverage be secondary. Members eligible for Medicare as their secondary coverage are subject to the same Dues and receive the same benefits as Members who are not eligible for Medicare, except that Members who enroll in our Kaiser Permanente Medicare Advantage Medicare as Secondary Payor plan will have no Copayments or Coinsurance for most covered Services.

If you do not comply with all of the following requirements for any reason, even if you are unable to enroll in a Kaiser Permanente Medicare Advantage plan because you do not meet the plan's eligibility requirements, or the plan is not available through your Group or your Service Area, we will terminate your membership upon 30 days' written notice to the Subscriber.

For Members eligible for Medicare as primary coverage, Dues are based on the assumption that Health Plan or its designee will receive Medicare payments for Medicare-covered Services provided to Members eligible for benefits under Medicare Part A or B (or both). If you are or become eligible for Medicare as primary coverage, you must comply with the following requirements:

- Enroll in all parts of Medicare for which you are eligible and continue that enrollment while a Member
- **For Denver/Boulder Members**, enroll through your Group in a Kaiser Permanente Medicare Advantage plan; or **for Colorado Springs Members**, assign your Medicare benefits to Health Plan
- Complete and submit all documents necessary for Health Plan, or any provider from whom you receive Services covered by Health Plan, to obtain Medicare payments for Medicare-covered Services provided to you

Continuation of Group Coverage Under Federal or State Law

Federal Law (COBRA)

You may be able to continue your coverage under this EOC for a limited time after you would otherwise lose eligibility, if required by the federal COBRA law. Members are not ineligible for COBRA continuation coverage solely because they live in another Kaiser Foundation Health Plan or allied plan service area. Please contact your Group if you want to know how to elect COBRA coverage or how much you will have to pay your Group for it.

State Law

If you are not eligible to continue uninterrupted group coverage under federal law (COBRA), you may be eligible to continue group coverage under Colorado law. This law states that if you have been a Member for at least six consecutive months immediately prior to termination of employment, continue to meet the eligibility requirements of Group and Health Plan and continue to pay applicable monthly charges to your Group, you may continue uninterrupted group coverage. If loss of eligibility occurs because of the following reasons, you and/or your dependents may continue group coverage subject to the terms below or, at your option, convert to non-group membership:

1. Your coverage is through a subscriber who dies, divorces or legally separates or becomes entitled to Medicare or Medicaid benefits; or
2. You are a dependent child who ceases to qualify as an eligible dependent (See [Eligibility](#) for more details); or
3. You are a subscriber (or your coverage is through a subscriber) whose employment terminates, including voluntary termination or layoff, or whose hours of employment have been reduced.

You may enroll children born or placed for adoption with you during the period of continuation coverage. The enrollment and effective date shall be as specified under [Eligibility](#).

To continue coverage, you must request continuation of group coverage on a form furnished by and returned to your Group along with payment of applicable charges, no later than 30 days after the date on which your Group coverage would otherwise terminate.

Termination of State Continuation Coverage. Continuation of coverage under this provision continues upon payment of the applicable charges to your Group and terminates on the earlier of:

- 18-months after your coverage would have otherwise terminated because of termination of employment.
- The date you become entitled to Medicare.
- The date you become covered under another group medical plan.
- The date Kaiser Permanente terminates its contract with the Group.

We may terminate your continuation coverage if payment is not received when due.

If you have chosen an alternate health care plan offered through your Group, but elect during open enrollment to receive continuation coverage through Health Plan, you will only be entitled to continued coverage for the remainder of the 18-month maximum coverage period.

USERRA

If you are called to active duty in the uniformed services, you may be able to continue your coverage under this EOC for a limited time after you would otherwise lose eligibility, if required by the federal USERRA law. Members are not ineligible for USERRA continuation coverage solely because they live in another Kaiser Foundation Health Plan or allied plan service area. You must submit a USERRA election form to your Group within 60 days after your call to active duty. Please contact your Group if you want to know how to elect USERRA coverage or how much you will have to pay your Group for it.

Conversion of Membership

You may be eligible to convert to a non-group plan on a direct pay basis if you no longer meet the eligibility requirements described under “Who Is Eligible” in the “Eligibility and Enrollment” section, or if you enroll in COBRA or USERRA continuation coverage and then lose eligibility for that COBRA or USERRA coverage. However, you may not convert to this non-group plan if:

- you continue to be eligible for coverage through your Group,
- you live in another Kaiser Foundation Health Plan or allied plan service area, except that the Subscriber’s or the Subscriber’s spouse’s otherwise eligible children are not ineligible to be covered dependents solely because they live in another Kaiser Foundation Health Plan or allied plan service area if (1) they are attending an accredited college or accredited vocational school, or (2) you are required to cover them pursuant to a Qualified Medical Child Support Order (QMCSO),
- your membership ends because our Agreement with your Group terminates, or

- we terminated your membership under “Termination for Cause” or “Nonpayment of other charges” in this "Termination of Membership" section.

You must apply to convert your membership within 31 days after your Group coverage ends. During this period, no medical review is required, and your non-group coverage begins when your Group coverage ends. You will have to pay dues, and the benefits, Copayments and Coinsurance under the non-group coverage may differ from those under this EOC.

For information about converting your membership or about other non-group plans, call our Customer Service Department in *Denver/Boulder* at **303-338-3800** or toll-free at **1-800-632-9700** or in *Colorado Springs* at **1-888-681-7878**.

Moving to Another Kaiser Foundation Health Plan or Allied Plan Service Area

If you move to another Kaiser Foundation Health Plan or allied plan service area, you should contact your Group’s benefits administrator to learn about your Group health care options. You may be able to transfer your group membership if there is an arrangement with your Group in the new service area. However, eligibility requirements, benefits, Dues, Copayments and Coinsurance may not be the same in the other service area.

MISCELLANEOUS PROVISIONS

Administration of Agreement

We may adopt reasonable policies, procedures, and interpretations to promote orderly and efficient administration of the Group Agreement and this EOC.

Advance Directives

Federal law requires Kaiser Permanente to tell you about your right to make healthcare decisions.

Colorado law recognizes the right of an adult to accept or reject medical treatment, artificial nourishment and hydration, and cardiopulmonary resuscitation.

Each adult has the right to establish, in advance of the need for medical treatment, any directives and instructions for the administration of medical treatment in the event the person lacks the decisional capacity to provide informed consent to or refusal of medical treatment. (Colorado Revised Statutes: CRS § 15-14-504)

Kaiser Permanente will not discriminate against you whether or not you have an advance directive and will follow the requirements of Colorado law respecting advance directives. If you have an advance directive, please give a copy to the Kaiser Permanente medical records department or to your provider.

A healthcare provider or healthcare facility shall provide for the prompt transfer of the principal to another healthcare provider or healthcare facilities if such healthcare provider or healthcare facility wishes not to comply with an agent’s medical treatment decision on the basis of policies based on moral convictions or religious beliefs. (CRS § 15-14-507)

Two brochures are available: *Your Right to Make Health Care Decisions* and *Making Health Care Decisions*. For copies of these brochures or for more information, please call our Customer Service Department in *Denver/Boulder* at **303-338-3800** or toll-free at **1-800-632-9700** or in *Colorado Springs* at **1-888-681-7878**.

Agreement Binding on Members

By electing coverage or accepting benefits under this EOC, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all provisions of this EOC.

Amendment of Agreement

Your Group's Agreement with us will change periodically. If these changes affect this EOC, your Group is required to notify you of them. If it is necessary to make revisions to this EOC, we will issue revised materials to you.

Applications and Statements

You must complete any applications, forms, or statements that we request in our normal course of business or as specified in this EOC.

Assignment

You may not assign this EOC or any of the rights, interests, or obligations hereunder without our prior written consent.

Attorney Fees and Expenses

In any dispute between a Member and Health Plan or Plan Providers, each party will bear its own attorneys' fees and other expenses.

Contracts with Plan Providers

Your Plan Providers are paid in a number of ways, including salary, capitation, per diem rates, case rates, fee for service, and incentive payments, for Services they provide and Services that are referred. If you would like further information about the way Plan Providers are paid to provide or arrange medical and hospital care for Health Plan Members, please call our Customer Service Department in **Denver/Boulder** at **303-338-3800** or toll-free at **1-800-632-9700** or in **Colorado Springs** at **1-888-681-7878**.

Our contracts with Plan Providers provide that you are not liable for any amounts we owe. However, you may be liable for the cost of non-covered Services or Services you obtain from non-Plan Providers. If our contract with any Plan Provider terminates while you are under the care of that provider, we will retain financial responsibility for covered care you receive from that provider, in excess of any applicable Copayments or Coinsurance, until we make arrangements for the Services to be provided by another Plan Provider and so notify the Subscriber.

Governing Law

Except as preempted by federal law, this EOC will be governed in accord with Colorado law and any provision that is required to be in this EOC by state or federal law shall bind Members and Health Plan whether or not set forth in this EOC.

Group and Members not Health Plan's Agents

Neither your Group nor any Member is the agent or representative of Health Plan.

Named Fiduciary

Under our Agreement with your Group, we have assumed the role of a “named fiduciary,” a party responsible for determining whether you are entitled to benefits under this EOC. Also, as a named fiduciary, we have the authority to review and evaluate claims that arise under this EOC. We conduct this evaluation independently by interpreting the provisions of this EOC.

No Waiver

Our failure to enforce any provision of this EOC will not constitute a waiver of that or any other provision, or impair our right thereafter to require your strict performance of any provision.

Nondiscrimination

We do not discriminate in our employment practices or in the delivery of health care Services on the basis of age, race, color, national origin, religion, sex, sexual orientation, or physical or mental disability.

Notices

Our notices to you will be sent to the most recent address we have for the Subscriber. The Subscriber is responsible for notifying us of any change in address. Members in the **Denver/Boulder** Service Area who move should call our Customer Service Department at **303-338-3800** or toll-free at **1-800-632-9700** as soon as possible to give us their new address. **Colorado Springs** Members who are moving should call **1-888-681-7878**.

Overpayment Recovery

We may recover any overpayment we make for Services from anyone who receives such an overpayment, or from any person or organization obligated to pay for the Services.

Privacy Practices

Kaiser Permanente will protect the privacy of your protected health information (PHI). We also require contracting providers to protect your PHI. PHI is health information that includes your name, social security number, or other information that reveals who you are. You may generally see and receive copies of your PHI, correct or update your PHI, and ask us for an accounting of certain disclosures of your PHI.

We may use or disclose your PHI for treatment, payment, and health care operations purposes, including health research and measuring the quality of care and services. We are sometimes required by law to give PHI to government agencies or in judicial actions. In addition, we may share your PHI with employers only with your authorization or as otherwise permitted by law. We will not use or disclose your PHI for any other purpose without your (or your representative's) written authorization, except as described in our *Notice of Privacy Practices* (see below). Giving us authorization is at your discretion.

This is only a brief summary of some of our key privacy practices. Our *Notice of Privacy Practices* explains our privacy practices in detail. To request a copy, please call 303-338-3800. You can also find the *Notice of Privacy Practices* on our website at kaiserpermanente.org.

- \$1000/Member per contract year
\$3000/Family per contract year

The Copayments or Coinsurance paid by different family members cannot be combined to have one member certified as having met the annual limit applicable to each member.

Copayments or Coinsurance for the following Covered Services apply toward these limits:

- After hours urgent care
- Ambulance Services, only when medically necessary
- Chemical dependency treatment for diagnosis, medical treatment including medical detoxification and referral to a specialized facility, but **not** the services of the specialized facility
- Diagnostic lab and x-ray Services, and therapeutic x-ray Services provided in support of basic health services, including MRI, CT, PET and nuclear medicine
- Emergency Services
- Home health Services
- Hormonal treatment of prostate cancer
- Hospice care
- Infertility Services
- Inpatient hospital care (not including inpatient mental health care)
- Medical office visits, including primary care and specialty care visits
- Outpatient mental health visits (first 20 visits)
- Outpatient surgery
- Preventive Services
- Short-term physical, speech and occupational therapy, and multidisciplinary rehabilitation Services

Copayments or Coinsurance for a benefit or Service that is not covered under your particular health plan coverage will not apply toward the limit.

When you pay a Copayment or Coinsurance for these Services, it is important to ask for and keep the receipts. When the receipts add up to the annual limit, call the Patient Business Services Department at **303-743-5900**. A staff member will verify whether the limit has been met and if so, issue a "Waiver Card" in the family member's name who has met the limit, along with a letter explaining how to use the card. This Waiver Card will show that you do not have to pay any more Copayments or Coinsurance for the specified Services for the remainder of the year.
